## An IPA-Lovers IPA!

*Our fermented homage to all things paddling, Paddle Me IPA is a spicy brew with Maris Otter Pale imported malts, and loads of high-alpha hops for a pungent tickle of front-of-palate grapefruity flavor and aroma. An extra dose of Nugget and Centennial hops provide a playful slap of mid-range to back-end bitterness.*

*One taste, and you'll be saying  
"Thank you Brewmaster, may I have another?"*
